

PW-SPA TERRACE

A hot tub that can be
integrated into a terrace

A real
space saver!

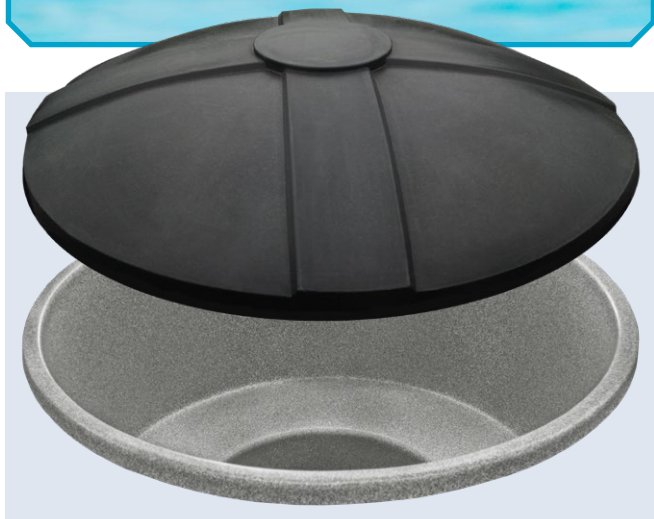

PW-SPA
-HOT TUB-

PW•SPA

– TERRACE –

- For 6-8 persons
- PE plastic pool that is durable, hygienic and easy to maintain
- Powerful 30 kW stove made of marine grade aluminium
- Diameter 180 cm, height 110 cm
- Water volume 1600 litres (approx. 1400 when bathing)
- Dark grey, granite, black or blue interior
- Hot tub cover, made of the same strong and durable PE plastic as the tub

The models of the stove and chimney may vary.

A hot tub integrated into a terrace is a stylish solution with unlimited possibilities. You can integrate the tub into an existing structure or create an environment of your choice to give it a completely unique look. The stove has a window, which creates a pleasant atmosphere and makes it easier to monitor wood burning.

Package contents: pool, cover, stove with pipes and fasteners, exhaust pipe, exhaust valve and plug. The package does not contain any support structures that need to be built around the tub.

Available as accessories:

Accessory models may vary.

• Safety cover for the chimney

• Chimney extension 1 m

• Spark arrester

• Skimmer net

• Drink holder

• EPS under-seat insulation
